Hi SWA Neighbors,

The Tree Committee has received the replanting plan for the trees that were cut on the beach lot in late 2023. A copy of the plan is attached for your review.

The City of Burien has confirmed that the replanting meets their requirements and has been completed. With that, the SWA Board considers the tree issue resolved.

This note and the plan will be posted on the SWA website for future reference.

Thanks,
SWA Board
